## OPEN1

The presentations work well, but there is too much required for the teaching website for the time allotted. One ac  
What I found to help me was the discussion part of this class. We were able to talk about what it was we were goi  
Dr. Ramirez did a great job of explaining what was required in this course. She was very approachable and wanted  
i dunno

How to use technology to teach children.

I liked the fact that she guided us through every assignment but she didn't overwhelm us with work or with class r  
In this course, I thought the Media of the Day was a great way to improve my analyzation skills. Overall, the class v  
Laurie Ramirez was a very great professor. She was very helpful and taught the material VERY well. Everything abc  
The Media of the Day assignments allowed me to make a connection with my classmates while also aiding in settli  
I found the fact that all the material was readily available online to work on and study was very helpful to my learr

ctivity would be sufficient. The open discussions also work well, and I am glad this is a discussion based class.  
ng over and get over people's opinion on the subject. I also liked how everything flowed together. It was easy to fo  
I to help her students as much as possible.

meetings. She allowed us to have a a good experience and work hard on things but also allowed us to have a summr  
was fun and interactive. The only thing that would make this class a little better is to allow more time for the final p  
out this course was very successful and helpful for my future.

ing my presentation anxieties, because I felt safe within this community.

ring. I also liked the fact that this course goes over how to use different types of technology in the classroom beca
